

**Digital Global Business and Investors Summit - Mission  
J&K organised by GKPBF (Global Kashmiri Pandit  
Business Foundation) in association with J&K Government  
– Union Territory**

Dear Investor,

Greetings from GKPBF!!!

Please be informed that the GKPBF Board of Directors had a meeting with Lt. Governor of J&K UT, Sh. Manoj Jaswal in Jammu on 10<sup>th</sup> Nov 2020. Lt. Governor has already shared the meeting details in the entire media in the country. We at GKPBF same day conducted a Press Meet at Jammu Press Club where the media (electronic and print) attended. The entire press conference is on social media.

It was decided in the meeting with J&K Government UT that immediately a Digital Global Business Summit to be arranged by GKPBF in association with J&K Govt. UT officials.

In the meanwhile, we are approaching the investors who would like to invest in J&K State from NRIs and also local investors across the country. We at KP already have a good number of investors from the community to invest. However, this appeal is made to Non-KP investors across the country to share their willingness to invest.

Once we have the confirmation of these investors through the Delhi Management Association, we would like to take those investors in the Business Summit.

In my discussions with President of DMA, Dr Yogesh Misra and Director, Mr Rajan Pandhi, I am approaching the members of DMA to come forward and invest in J&K to

**support dream of PM Modi for New J&K after abrogation of article 370 and 35A as well as new land bill recently announced. J&K Govt. is also announcing New Industrial Policy within next one week which would have attractive packages for the investors.**

**Thanks.**

**DK Bakshi  
Founder & Director GKPBF**

**Ravinder Kachroo  
CEO & Director GKPBF**
